## Heritage Club blends classical with original

**DILLON WYCKE** | A modern set of finishes is combined with the most exquisite and original work to include a massive beam chandelier, hand-painted fully decorated at the popular Heritage Club.

This set, in an intimate neighborhood, is a testament to the artistry and skill of the finest craftsmen in the region.

typical new house, this one is a unique style. The set is a perfect blend of new, old, and timeless in a way that is truly exciting.

This historic architectural masterpiece is a rare find. In 1930, in 1994, New Century Construction brought to life the dream of a classic, solid and the work craftsmanship of a historic landmark. Every

inch with Heritage Club.

With more than 60 years of experience in a historic and unique neighborhood, we have a rich history of craftsmanship.

Heritage Club is a place of respect, honor, history, and pride. It is a place where the past meets the present, where the old meets the new, and where the best of both worlds meet. The club is a place of pride, honor, and respect, where the past meets the present, where the old meets the new, and where the best of both worlds meet.
