

BLUE SKIES. WARM SUN. SANDY BEACHES. BLUE WATER.

*Make everyday a vacation
for the rest of your life.*

A private enclave of 62 custom-built homes nestled between the Atlantic Ocean and the Intracoastal Waterway on Boca Raton's "Blue Coast".

Three unique floorplans: 18,527 sq. ft. and 4,205 AC to 5,785 square feet and 3,894 AC to choose from, each with private entrances, private elevators servicing all three floors, private pools, private heated beach access, private concierge. A two car garage and a two car covered carport affords ample parking for each home. A fourth floor observatory provides each residence with breathtaking views.

High-end stainless steel appliances, custom kitchen cabinetry and corian, granite counter tops, oak/kiefer carpeting, elegant marble flooring, and many more quality finishes and features combine to create an "Authentic Blue Water Experience."
