New Century Companies will once again participate in its [FOURTH](#) year as a sponsor in the drive to raise toys and donations for dozens of underprivileged children.

Last year, New Century Companies brought to the 2008 Toy Rally over \$4,125 in donations and toys with your help. Although these days are very difficult for all of us and we understand that most of us are not in the position we were in last year. It always feels nice to give back during the holidays. Last year we received a lot of toys that were approximately \$5 to \$10 per toy and I am sure that the kids that received them were extremely excited to receive something during the holiday season.

So Once again we are asking that you participate with us and please deliver to our office whatever you can before.
